

# Investing for Success

**Under this agreement for 2017  
Greenslopes State School will receive**

**\$118,936\***

## This funding will be used to

- Increase the number of students achieving above the National Minimum Standard in Year Three to 100% in Reading.
- Increase the number of students achieving above the National Minimum Standard in Year Five to 100% in Reading.
- Increase the number of Year Three students achieving in the Upper 2 Bands to 70% in Reading.
- Increase the number of Year Five students achieving in the Upper 2 Bands to 60% in Reading.

## Our initiatives include

- Embed the practice of Collegial Coaching and extend to all staff with a focus on Reading Comprehension and Guided Reading
- Develop and embed a Guiding Reading framework across the school.
- Continue to embed the Greenslopes Instructional Cycle ensuring Classroom Conversations, Case Management, Collegial Coaching, and moderation practices are in place across the school.
- Ensure all new staff have been trained with Reading 2 Learn.
- Release a teacher full time to work in a P – 2 Intervention Role focussing on developing the skills of students at risk.
- Employ a Speech Therapy Pathologist to ensure all students across P – 2 get additional support to identify students with difficulties with oral language and initiate support for these students.

## Our school will improve student outcomes by

Strategy	Cost
• Ensure new staff are trained in Reading 2 Learn	\$ 15 000.00
• Release a full time teacher to ensure the P – 2 Early Intervention program continues	\$ 76 819.96
• Release all teachers to engage in Collegial Coaching once per term as per the Greenslopes State School Instructional Framework	\$ 20 038.40
• Employ a Speech Therapy Pathologist to increase support once per week.	\$ 7 077.64
